To whom it may concern,

The present email is to confirm that the funds wired by me personally to Lord Robert O Thomas on November 2nd, 2023, and originating from TDZ IT Services, LLC, were for the concept of the payment of legal fees on behalf of Ashkan Rajae.

Attached is a copy of TDZ IT Services's certificate of formation, proof of address and a copy of my passport.

Please feel free to reach out if you require any further information.

Regards,

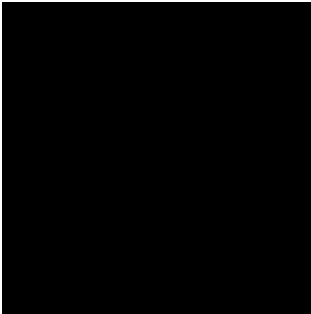

Stephanie Rossignol
